Dear Coaches, Volunteers and Parents:

Keystone Soccer Academy:

This year the Salem Youth Soccer League has decided to team up with the Keystone Soccer Academy (www.keystonesocceracademy.net) to bring advanced training to all interested players that participate in our recreational leagues. All coaches for Keystone are licensed coaches with many years of soccer coaching experience at all levels of the game. Each of the programs that are listed below are being funded by SYSL and will be **FREE** to all players that have paid and signed up for the SYSL fall soccer league. All you have to do is show up at any of the training sessions for your age group or attend the youth camp for your age and sign in. Each of these programs are being offered to improve the level of play in our recreational league and are not intended to replace our recreational league. The programs that will be offered this year are:

Youth Soccer Camp (FREE):

Keystone will be holding two soccer camps over the summer that will offer a fun filled learning experience for all that attend. The first camp will be for U8 & U10 on June 21, 22,&23 from 6-8:00 pm at Kent Salem. The second camp will be for U12 & U14 on June 28,29, &30 from 6-8 pm at Kent. Both of the camps will be **free** to players that are registered for the fall SYSL recreation league.

Advanced Training Sessions:

Starting on Sunday August 22 and running for 8 weeks all SYSL players will have the opportunity to attend additional training sessions with the coaches from Keystone at Kent Salem for one hour of training. These sessions will also be **free** to players that are participating in the fall SYSL recreation league.
